MEMORANDUM FOR: Chairman, CIA Records Management Board

SUBJECT : Microfilm Program Officer Representation  
on the Records Management Board  
Technical Panel

I understand [ ] has discussed with you the desirability of appointing a microfilm officer, namely [ ] (Chief, Microfilm Program Management Branch, SSS) to the Records Management Board Technical Panel. I endorse this suggestion; it seems to me quite appropriate that the Panel take advantage of the microfilm inputs which [ ] can make as a Panel member.
